I WAS TOO LATE TO GET THE FIRST STRIKE IN, BUT I MADE UP FOR THAT.

I'D MANAGE TO MATCH AN ANGEL ONE WAY OR ANOTHER.

I'LL MOVE ON TO THE NEXT PHASE SOON.
FU FU FU, ONE STEP CLOSER TO MUTSUKI -KUN~
ぽう
THIS MAKES THREE IN A ROW.
ONLY A FEW OF THE STEPS NEEDED TO PREPARE TO REACH OUR GOAL ARE DONE, SO WE MIGHT BE FALLING BEHIND.
I CAN FIX THAT MYSELF SOON ENOUGH, THOUGH.
BESIDES..
I'M THE ONE WHO LOVES MUTSUKI-KUN THE MOST. O/

Greetings, Miss A.
How do you fare?
WELL ENOUGH.
GUESTS FROM FETUS.
WE ARE HONORED THAT YOU HAVE GATHERED BEFORE US TODAY.

THE TOPIC OF OUR MEETING TODAY IS THE APPEARANCE OF FETUS'S FINAL OBJECTIVE--
"ADAM, THE ORIGINAL CREATION".
I NOW WISH TO REPORT ON THE CURRENT STATE OF AFFAIRS AND HOW WE SHALL PROCEED HENCEFORTH.
FIRST, AS I AM SURE YOU ARE ALL AWARE, ADAM IS CURRENTLY ---.
No need.
We are privy to much of the some information on that already.
We know that Adam has appeared after 100 years of waiting for him to be born.
And we know that the Serpents Eye's holder as discussed in our previous meeting... Mutsuki Fujito is Adam.
Further, we are aware that while in custody of the Angels his capture will be prohibitively difficult.
Rest assured, we are well-informed.
PARDON MY PRESUMPTUOUSNESS.
WELL THEN, I WILL SKIP DIRECTLY TO LISTING OUR PERCEIVED OPTIONS FOR OUR FUTURE COURSE OF ACTION.

Rest assured, we are well-informed.
PARDON MY PRESUMPTUOUSNESS.
WELL THEN, I WILL SKIP DIRECTLY TO LISTING OUR PERCEIVED OPTIONS FOR OUR FUTURE COURSE OF ACTION.

I WILL START WITH MY ASSESSMENT.
FETUS'S MAIN PRIORITY SHOULD BE MAINTAINING THE CURRENT STATUS QUO.
AS FOR MUTSUKI FUJITA, MISS E SHOULD CONTINUE HER PATTERN OF OBSERVATION WITHOUT ANY CHANGES.
What?
PRESENTLY, MISS E --MAKINA-- HAS ALREADY ESTABLISHED A GOOD RELATIONSHIP WITH MUTSUKI FUJITA HERSELF.
WE THEREFORE BELIEVE THAT ACHIEVING OUR ULTIMATE GOAL WOULD BE MOST SAFELY PURSUED BY PERPETUATING THESE CONDITIONS.

I will start with my assessment.
Fetus's main priority should be maintaining the current status quo.
As for Mutsuki Fujita, Miss E should continue her pattern of observation, without any changes.
What?
Presently, Miss E --Makina-- has already established a good relationship with Mutsuki Fujita herself.
We, therefore believe that achieving our ultimate goal would be most safely pursued by perpetuating these conditions.

You mean to say that we should simply do nothing while Adam has shown himself before us?
Preposterous! The Demons are already advancing on him as we speak!
Neither we nor you can fathom what might happen if Adam falls into the Demons' Hands!
Securing Adam is paramount to meeting our objective.
We must reign him in as soon as possible!
Miss A, you have been far too passive lately.
You were almost certain that Mutsuki Fujita was Adam, yet you didn't deploy Miss E-- and the Angels beat you to the punch.
To say nothing of your having allowed the Demons to approach him thus far... all due to your lapses in judgement, was it not?
Surely you haven't forgotten how much we have invested in the search for Adam!
How unlike you to simply watch on the sidelines for such a long time.
What happened to the old Miss A who has supported humanity for the past several centuries?
LISTEN, YOU.

We didn't say a thing about just standing by and leaving things be.
Keeping things on their current course takes quite an effort.
I'll begin with what we know about Adam himself at this point.
We have succeeded in gathering samples of his sperm,
and our current implantation rates in subsequent experiments have been high.
Ah
Ah
Ah
Ah
Ah
...erm...
However, artificial insemination has proven impossible.

I'll turn that one now.
AH
THIS INDICATES THAT SPERM SIMILAR TO GOD IN NATURE IS IMPOSSIBLE TO MANIPULATE.
AS SUCH, CAPTURING HIM IN A MANNER SIMILAR TO THE ANGELS WOULD HAVE LITTLE POINT.
We have nothing to fear from the Angels.
Reports tell us that the Banem we sent to face the angel protecting Mutsuki Fujita earlier performed extremely well in battle.
DON'T IGNORE THE FACT THAT ADAM REMAINS IN THE ANGEL'S HANDS.
HOWEVER EFFICIENTLY YOUR MACHINES MAY FIGHT, THEY STILL PRODUCE NO RESULTS. WE LOST THAT LAST BATTLE WITH THE ANGELS.
FURTHERMORE, NOW THAT THE DEMONS ARE ACTIVE, OUR NEXT DEFEAT WILL DESTROY THE THREE-WAY STALEMATE AND JEAPARDIZE FETUS AS A WHOLE.
WE MUST EXERCISE THE UTMOST CAUTION AND BIDE OUR TIME.
Yes but...
Even so...

K
What you say is correct.
As far as our goals are concerned, patience is indeed a virtue.
But we find it difficult to find it "virtuous" to simply wait in such undesirable conditions...
That is where our opinions no longer align.
So what do you think? Should we take this opportunity to have Kuroneko act for us?
!!

WAIT! KURONEKO--- I MEAN, MISS C IS TOO DANGER-OUS.
And there is no other member as devoted to our couse as her. its true.
She is just as close to Mutsula Fujita herself... she would be perfect for pairing with Adam!
That seems appropriate. As one of the Fetus witches, we and Miss A alike should be able to rely on Kuroneko-dono.
You needn't worry. we've given her some remodeling, refined her techniques with some of the best our country's military has to offer.
By our assements, she should be able ta take on Angels and even Dvemons.
DR. STRANGE-LOVE! YOU AND I BOTH KNOW THAT WHAT WE SEEK ISN'T VICTORY IN TRIVIAL BATTLES HERE AND THERE...
Why would you object to this? It's incompre-hensible...
It almost seems that you wish for these lamentable cond-itions to continue, Miss A.
As long as our resources in this war can match those of the angels and demons, we are sure to make significant progress toward our goal.
We consider this a much more promising proposal than simply observing what happens around us.
TCH...

UNDERSTOOD.
Hmmph... so be it. Securing Adam and the disposal of the Angels protecting him will be left to Kuroneko-dono.

K
Well, we have run out of time for this meeting, so let us adjourn for today.
.....
Oh... so you were awake, Miss C. Then it seems you're already up to speed on things.

SO WE'LL BE FIGHTING THE ANGELS... I SHOULD HOPE THE STORY OF THE "INFERNO" IS A MERE EXAGGERATION.

You'd better watch out for yourself while you guard Mitsuki Fujita, little Angel.
